Couple clean up in awards

A BISLEY couple has won a top award from catalogue giant Kleeneze.

Mike and Amanda Bibby, who live in Guildford Road, took the Incentive Scheme award at the company's Distributor of the Year presentations held in Birmingham.

The honour came their way when their earnings topped

£182,000 in 2005. Mike and Amanda have worked with Kleeneze for 10 years.

Mike said: "We are thrilled our hard work and efforts have been recognised in this way.

"We have worked very hard and built up a team of more than 2,000 around Surrey. We have made some great friends in the process."

Amanda used to be a hairdresser while Mike was a prison officer. She said: "We weren't making enough money so we decided to try and earn some extra cash.

"We couldn't have dreamed that one day we would be the top distributors for Kleeneze, regardless of background or previous experience."
